

Becoming Masterful

WITH EMER DOYLE MCC

SEPTEMBER - DECEMBER 2025

The basics are the
backbone to *mastery*.
Are you ready to go
back?

A blend of
live & self paced learning
from the inside out

Overview

Becoming Masterful is designed for any coach who is embracing
a life long learner mindset and is ready to
find a new ease in simplicity.

The path of mastery has no starting point and no end point.
An opportunity to experience an internal shift towards becoming
profound in your presence as you become proficient in your
coaching conversational skills.

Paying attention to three significant partnerships;
between you and your own internal landscape,
between you and your client in the present moment,
between your client and themselves during coaching.

Space for stillness to pause, unpack, ventilate and
recalibrate the whole of you, not just the "Coach" in you
at a pace that suits your unique lifestyle.

This program is designed for a
coach practitioner who is seeking
any of the following:

to become more proficient in your skills
and profound in your presence

self acceptance; to release limiting beliefs
about your value as a coach

to declutter your mindset by learning,
unlearning and relearning again

to connect with a tribe of humans
embarking on a similar journey

to become more at ease in your own
relationship with yourself as Coach

to earn ICF CCE units in core competencies

COMPONENTS OF THE PROGRAM

Additional Information

Overview of Masterful Coaching Masterclasses

There are five masterful coaching masterclasses as part of this program. They will be facilitated by Emer Doyle via zoom, from 9.30am to 4.30pm (Ireland time) each day every third week. The ICF core competencies are organized into four domains based on commonalities and interdependencies between each competency within the domain. Each masterclass will focus on a particular domain and the competencies, markers and behavior skill sets associated with it at masterful level. Each masterclass will comprise a series of teaching inputs, moments for private reflection, group discussion, an MCC coaching demonstration, and an opportunity to engage in peer coaching practice with feedback. You'll receive additional feedback from Emer during one of those peer coaching sessions.

Overview of Self Paced Learning Modules

In between each masterclass, learners will be invited to watch a self paced learning module which comprises a mini series of short video lessons created by Emer, which are associated with the most recent masterclass you attended. Each lesson will focus on introducing you to deeper layers of the concepts covered in the masterclass and additional new concepts. The lessons will also contain a series of memoirs from Emer's personal experience of her own learning journey towards becoming masterful; the insights, learnings and challenges she experienced and still does in her coaching practice.

Reflective Learning Journal Experience

Learners will be required to complete a corresponding reflective learning journal after each self paced module. All learning journal entries must be completed to receive the ICF CCE units for this program. Engaging in the self paced learning component of this program at a pace that best suits your current life experience is encouraged. Learners have access to all resources for one year from starting the program.

Additional Information

Overview of One to One Coaching

An individual coaching session with Emer is provided to ensure that the whole of each learner, not just the Coach in you, receives the opportunity to take some undiluted safe space to unpack how their experience on the program has impacted them; to ventilate, attend to what needs arise in them and recalibrate for the next phase of their learning journey beyond the program. There is no expiry date on this coaching session. Learners are encouraged to book the session at a time that best suits their needs and energy levels after completion of the program.

Completion of the Program and ICF CCEUs

Upon completion of all components of the Becoming Masterful program you will receive a certificate of completion and 40 ICF CCE units in core competencies. This meets the full CCE requirement for ICF credential renewal. This can be taken as 40 hours supplemental coach training or 30 hours supplemental training and 10 hours group mentor coaching.
